

Hello, Skaters & Families:

Every year, Stars on Ice puts on excellent Emmy award-winning shows around the country. This year, the closest one to us is at the Giant Center in Hershey, PA on Sunday, March 18, 2012 at 4 pm. Kurt Browning brings his directing talents to the show, which will feature champions such as Sasha Cohen, Ekaterina Gordeeva, Ilia Kulik, Todd Eldridge and more.

I will post the information at the Skatium including fliers which you are free to take. You can also go on their website for more information: www.starsonice.com. Group prices are available at a discount, starting at 10 tickets.
